Priority Benching with our new Midtown finish

Introducing our latest **Priority™**

Energy, integration, inspiration, pure aesthetics. Our refreshed and expanded series of Priority desks, benches, work tables, with new wood finishes, innovative overhead storage, and additional components, this single collection is adaptable to a full range of settings, from the classic private office to the contemporary open plan. Plus, it's level® 2 certified and may contribute to LEED® credits. In short, Priority gives precedence to your every design need.
