MENTOR PROFILE

Request for CNCC Connecting Leaders Mentorship Program support email or letter template

Dear <name>,

I am writing to request <your company name's> investment in my participation in the 2020 CNCC (CREW National Capital Committee) Connecting Leaders Mentorship Program, a specialized executive leadership-based mentorship program that features:

- A safe, yet challenging environment for professional growth via strategically planned executive leadership training and social interactions
- Long-lasting, mutually beneficial relationships between proteges and mentors
- Personalized work style assessments (i.e. DISC and Emotional Intelligence)
- Training in critical professional competencies such as: effective communication, time management, executive presence, difficult conversations, goal setting, and more
- Monthly executive leadership training
- One-on-one mentoring sessions with senior leaders
- Participation in a project focused on giving back that addresses an issue in the commercial real industry or local community

In addition, research collected on the program shows remarkable personal and professional growth for participants. The below statistics represents the growth of over 80% of mentors and proteges from the 2014-2019 programs.

- 49% received a promotion
- 68% received a salary increase
- 55% advanced in their leadership
- 63% continue to meet with their pairs
- 65% achieved the goal(s) they set for themselves during the program
- 77% found the program to be life changing

Mentorship Program sessions will be held the third Tuesday of each month from 1:00 p.m. – 4:30 p.m., in select locations between DC, Maryland and Northern Virginia. These sessions do not include monthly connections between protégé and mentor that are scheduled by individual pairs based on their availability. The all-in program fee is \$2,400 USD per applicant. Applications are due December 13, 2019 and payment must be received by January 17, 2020.

I know this is a pivotal career opportunity for me to cultivate my professional growth, enhance my leadership skills and become an empowered self-advocate.

I am grateful for the investment our organization has made in me. Thank you for your consideration.

Sincerely,
