

## Ian Anderson, Senior Director of Research

Ian Anderson has a dual role as Senior Director of Research for CBRE. In one role, Mr. Anderson is the Head of Americas Office Research, in which he analyzes, identifies, and communicates relevant trends impacting office markets. In Mr. Anderson's other role, he oversees thought leadership for the Mid-Atlantic and South-Central regions to ensure unique, local market insights are being generated to help guide client decision making.

Prior to this role, Mr. Anderson was a Director of Research and Analysis for CBRE, overseeing thought leadership and research operations for the Pennsylvania region. Before joining CBRE, Mr. Anderson was the Director of Research for Grosvenor Fund Management in North America. His primary focus was to direct investment strategy by identifying the risks and opportunities of property sectors, metropolitan markets, and macroeconomic trends.
